Agricultural Machinery

A **CLS hire purchase agreement** is the perfect way to fund tractors, combines and implements.

Replace or add machinery ahead of the season and spread the cost over fixed payments, with the option to talk to us about agreements that reflect when your farm income comes in.

Consider the benefits:

- Fixed payments for the length of the agreement
- Online decisions within 24 hours in most cases
- Tractors, combines, balers, sprayers and trailers
- New and used machinery from your usual dealer
- Release cash from machinery you already own
- Finance available from £1,000 with no upper limit

Farms, agricultural contractors and estates choose CLS for flexible finance and one account manager who handles everything from the dealer's quote to delivery on the farm.

We offer a wide range of finance solutions for your business.
