Business Cash Advance

A **CLS business cash advance** gives you funds quickly, repaid from a share of your card takings.

Repayments rise and fall with your trade, so you pay more when the till is busy and less when it is quiet. It suits shops, cafes, salons, bars and any business that takes regular card payments.

Consider the benefits:

- Repaid from a small share of your card sales
- No fixed monthly repayments
- No asset security needed
- Funds paid quickly to your bank account
- Use the money for any business purpose
- Ideal for businesses with seasonal trade

Retail and hospitality businesses choose CLS for a cash advance because we explain exactly how repayments work and compare providers so the terms suit the way you trade.

We offer a wide range of finance solutions for your business.
