Commercial Vehicles

A **CLS hire purchase agreement** is the perfect way to fund vans, trucks, HGVs and trailers.

Add or replace vehicles when a new contract lands, new or used, and spread the cost over fixed monthly payments so working capital stays free for fuel, drivers and maintenance.

Consider the benefits:

- Fixed monthly payments for the length of the agreement
- Online decisions within 24 hours in most cases
- Vans, pickups, tippers and Lutons
- Rigid HGVs, tractor units and trailers
- Bodywork and conversions can usually be included
- Finance available from £1,000 with no upper limit

Hauliers, couriers, contractors and tradespeople choose CLS because we move quickly when a build slot or auction deadline is close, with one account manager from start to finish.

We offer a wide range of finance solutions for your business.
