Dental Equipment

A **CLS finance lease** is the perfect way to fund dental chairs, imaging and surgery equipment.

Upgrade a surgery or equip a new one and spread the cost of chairs, X-ray, scanners and decontamination equipment over fixed monthly payments that sit comfortably alongside your patient income.

Consider the benefits:

- Fixed monthly payments for the length of the agreement
- Online decisions within 24 hours in most cases
- Chairs, imaging, scanners and decontamination
- NHS, mixed and private practices
- Choose the dental supplier you prefer
- Finance available from £1,000 with no upper limit

Dental practices choose CLS because one account manager looks after the finance from the supplier's quote to installation, so the team can stay focused on patients.

We offer a wide range of finance solutions for your business.
