Finance Solutions

CLS finance solutions cover equipment, vehicles and working capital for UK businesses.

As a broker with over 200 lenders, we match the structure to your business rather than to one lender's product list, whether you need a single machine, a fleet of vans or cash to fund growth.

Consider the benefits:

- Finance lease and hire purchase
- Vehicle finance for cars, vans and fleets
- Sale and lease back and asset refinance
- Secured and unsecured business loans
- Business cash advance repaid from card sales
- Finance available from £1,000 with no upper limit

Businesses across the UK have chosen CLS since 2004 because one account manager looks after every application and start ups are considered alongside established firms.

We offer a wide range of finance solutions for your business.
