Fire Safety Equipment

A **CLS finance lease** is the perfect way to fund fire detection, alarms and suppression.

Keep your premises compliant without a large one off bill by spreading the cost of fire safety equipment and installation over fixed monthly payments. CLS is an approved finance partner of the Fire Industry Association.

Consider the benefits:

- Fixed monthly payments for the length of the agreement
- Online decisions within 24 hours in most cases
- Detection, alarms and emergency lighting
- Extinguishers, sprinklers and suppression
- Several suppliers on one payment
- Finance available from £1,000 with no upper limit

Property owners, care homes, schools and businesses choose CLS for fire safety finance, and installers work with us to offer their customers a monthly payment option.

We offer a wide range of finance solutions for your business.
