Food Production Equipment

A **CLS hire purchase agreement** is the perfect way to fund mixers, ovens and production lines.

Take on a bigger contract or a new retail listing and spread the cost of processing, cooking, chilling and inspection equipment over fixed monthly payments, keeping cash free for ingredients and staff.

Consider the benefits:

- Fixed monthly payments for the length of the agreement
- Online decisions within 24 hours in most cases
- Mixers, ovens, slicers, fillers and chillers
- New and used equipment from established suppliers
- Release cash from machinery you already own
- Finance available from £1,000 with no upper limit

Bakeries, food manufacturers and processors choose CLS because we place deals with lenders who understand food production and keep you updated from quote to first production run.

We offer a wide range of finance solutions for your business.
