Grounds Care Equipment

A **CLS finance lease** is the perfect way to fund mowers, tractors and grounds tools.

Keep fields, parks and estates in top condition with fixed monthly payments that leave room in your cash flow through the quieter months, whether you need one machine or a full fleet refresh.

Consider the benefits:

- Fixed monthly payments for the length of the agreement
- Online decisions within 24 hours in most cases
- Leasing, hire purchase and business loans available
- Mowers, tractors, attachments and hand tools
- Use the dealer you already trust
- Available across the UK, including Northern Ireland

Groundsmen, contractors, sports clubs and estates choose CLS because one account manager looks after everything, from the first quote to the day the machinery arrives on site.

We offer a wide range of finance solutions for your business.
