Hire Purchase

A **CLS hire purchase agreement** spreads the cost of essential equipment and you own it at the end.

Pay an agreed deposit, then fixed monthly instalments over the term. Once the final payment is made the equipment belongs to your business, so it suits machinery, vehicles and kit with a long working life.

Consider the benefits:

- Fixed monthly instalments for the length of the agreement
- You own the equipment at the end
- Flexible deposits to suit your cash flow
- New and used equipment can be funded
- Quick online application and decision
- Agreements available from £1,000 with no upper limit

Owners who want to build up assets in their business choose CLS hire purchase because we find lenders who suit their equipment and keep them informed from the first quote to the final payment.

We offer a wide range of finance solutions for your business.
