Packaging Equipment

A **CLS finance lease** is the perfect way to fund wrapping, filling, labelling and palletising machines.

Automate the end of your line and spread the cost of packaging machinery, integration and change parts over fixed monthly payments, so more orders leave the building each shift.

Consider the benefits:

- Fixed monthly payments for the length of the agreement
- Online decisions within 24 hours in most cases
- Flow wrappers, fillers, tray sealers and labellers
- Case erectors, sealers, wrappers and palletisers
- Integration and installation can usually be included
- Finance available from £1,000 with no upper limit

Manufacturers, food producers, contract packers and online retailers choose CLS because we fund packaging projects quickly and keep everyone informed until the line is running.

We offer a wide range of finance solutions for your business.
