Premises Refurbishment

A **CLS finance lease** is the perfect way to fund the fittings and equipment in a refurbishment.

Modernise your office, shop, clinic or workshop and spread the cost of lighting, air conditioning, partitions, furniture and IT over fixed monthly payments, with loans available for the building work.

Consider the benefits:

- Fixed monthly payments for the length of the agreement
- Online decisions within 24 hours in most cases
- Lighting, heating, air conditioning and IT
- Partitions, furniture, kitchens and washrooms
- Business loans for flooring and decoration
- Finance available from £1,000 with no upper limit

Offices, shops, clinics, salons and workshops choose CLS because we split each project between the right lenders, so the whole refurbishment is funded and finished in one go.

We offer a wide range of finance solutions for your business.
