Sale and Lease Back

CLS sale and lease back puts cash back into your business from equipment you have just bought.

If you paid for qualifying equipment outright in the last three months, a funder can buy it from you and lease it back. You receive the cash, keep using the equipment and repay through fixed, predictable payments.

Consider the benefits:

- Recover cash from equipment bought recently
- Keep using your equipment exactly as before
- Fixed, predictable payments
- Ideal after an unexpected cash outlay
- For UK businesses trading for 12 months or more
- Online decisions within 24 hours in most cases

Businesses choose CLS for sale and lease back because we check quickly whether your purchase qualifies and present it to the lenders on our panel most likely to say yes.

We offer a wide range of finance solutions for your business.
