Secured Business Loans

A **CLS secured business loan** lets you raise a larger sum by putting an asset behind the borrowing.

You carry on using the asset as normal, keep your existing finance in place and repay through fixed monthly instalments. Funds can be used for expansion, property, refurbishment or any other business purpose.

Consider the benefits:

- Raise larger sums than unsecured borrowing
- No maximum loan amount
- Any business purpose
- Fixed monthly instalments
- Keep using the asset behind the loan
- Existing finance can stay in place

Businesses planning a significant step choose CLS for secured lending because we put the case to lenders on our panel of over 200 and guide you through each stage to completion.

We offer a wide range of finance solutions for your business.
