Vehicle Finance

CLS vehicle finance through hire purchase puts the car, van or fleet you need on the road now.

Pay a deposit, then fixed monthly payments usually over 24 to 60 months, and the vehicle is yours outright once the final payment is made. New and used vehicles from dealers across the UK can be funded.

Consider the benefits:

- Fixed monthly payments over 24 to 60 months
- No balloon payment and no mileage limits
- Own the vehicle at the end of the agreement
- Cars, vans, pickups and whole fleets
- Online decisions within 24 hours in most cases
- Finance available from £1,000 with no upper limit

Sole traders, small firms and growing fleets choose CLS because we search a panel of over 200 lenders for the right deal and one account manager looks after you from quote to collection.

We offer a wide range of finance solutions for your business.
