Vendor Finance

CLS vendor finance lets you offer your customers a monthly payment option at the point of sale.

You keep control of the sale and we handle the funding. Your customer applies, we place the deal with a suitable funder and the funder pays you, so you win more orders without carrying the credit risk.

Consider the benefits:

- Offer finance without taking the risk
- No minimum turnover requirement
- Decisions usually within hours
- You keep control of the sale
- Help customers say yes to larger orders
- One account manager for your whole team

Equipment suppliers, installers and dealers across the UK choose CLS vendor finance because we make offering monthly payments simple and keep both you and your customer informed.

We offer a wide range of finance solutions for your business.
