Veterinary Equipment

A **CLS finance lease** is the perfect way to fund imaging, theatre and lab equipment for your practice.

Bring diagnostics in house or equip a new consulting room and spread the cost over fixed monthly payments, so the practice can invest in care without a large upfront bill.

Consider the benefits:

- Fixed monthly payments for the length of the agreement
- Online decisions within 24 hours in most cases
- Imaging, anaesthesia, theatre and lab analysers
- Independent, equine and mixed practices
- Choose the supplier you prefer
- Finance available from £1,000 with no upper limit

Veterinary practices choose CLS for straightforward finance and one account manager who keeps everyone informed from the first quote to the day the equipment arrives.

We offer a wide range of finance solutions for your business.
